MANAGING DIRECTOR'S MESSAGE

At GIBS, our commitment to student success goes far beyond the traditional boundaries of education. We actively encourage and support academic research because we understand how important it is in developing our students' innovation and critical thinking skills. Furthermore, our specialized programs are designed to tap into each student's unique potential, providing them with the skills and knowledge required to thrive in today's dynamic and competitive world.

As we look to the future, we remain committed to our mission of providing a comprehensive and enriching educational environment that prepares our students to be leaders in their chosen fields. We are dedicated to developing their talents, honing their skills, and instilling the values of integrity, excellence, and lifelong learning.

"Education is an instrument of empowerment to equip our people to help them become economically independent and self-sustaining"

MR. RITESH GOYAL

"Come let's Learn, Earn and Return!"

DEAN & PRINCIPAL'S MESSAGE

GIBS Business School Bengaluru is currently on the path to scaling new heights under the guidance of visionary leaders and by creating partnerships with premium organizations and thought leaders. GIBS is celebrating the 10th Year of inception in 2024 and we are going to make it memorable with several initiatives like SOTY (Student-of-the-Year) and IRE Awards.

GIBS has already carved a niche in the Hall of Fame with innovative programs like IRE (Innovation, Research, and Entrepreneurship), CPMP (Certificate in Personal Mastery Program), and BMP (Business Mastery Program). The future growth of GIBS will be propelled by the AAA Approach, which stands for Automation, Analytics, and Artificial Intelligence. We are also committed to the H2H (Human to Human) Principle incorporated by our founder, Mr Ritesh Goyal, and ingrained in the core value system of the organization. With these scintillating initiatives, we foresee a bright future for our students and a remarkable voyage for our institution that will make all the stakeholders happy, satisfied, and proud to be a part of this journey.

Top B-School of Eminence 2023

Dear Mr. Ritesh Goyal,
Thank you once again for participating in the CSR rankings. I take great
pleasure in letting you know that GLOBAL INSTITUTE OF BUSINESS
STUDIES (GIBS) has been ranked as Top B-School of Eminence 2023. This is
a true reflection of all your hard work and dedication.
I congratulate you once again for this outstanding achievement and pray for your
continued success.

Kind Regards,
Vandana Ballarav
(Managing Director)

GIBS was also named the Top B-School of Eminence 2023 by CSR and honored as a Top B-School of Eminence for 2023 by Competition Success Review (CSR). These achievements resulted from the hard work of the faculty, students, and everyone involved with GIBS.

GIBS EVENTS

In a recent triumph, GIBS Business School celebrated the achievements of its PGDM graduates at the Convocation Ceremony held on January 20, 2024. The atmosphere was filled with anticipation and whispers of success as the graduates prepared to embark on a new journey filled with possibilities.

The ceremony, held at the heart of the institution where knowledge intersects with ambition, was more than just a gathering; it was a celebration of realized dreams and conquered challenges. Dressed in their caps and gowns, each graduate took a significant step towards receiving their PGDM degree, symbolizing a stride towards a promising future.

As the graduates turned the page to a new chapter in their lives, the ceremony marked the beginning of their journey toward success. It was a momentous occasion that highlighted the dedication, hard work, and perseverance of each graduate, setting the stage for a future filled with endless opportunities and achievements.

GIBS Business School was delighted to present 'Harmony Heaven', a day specially curated for the children from Bethel Child Care and Ebenezer Child Care. It was a day to share joy, engage in fun games, and immerse in cultural activities, all while fostering an environment of learning and growth.

On Wednesday, January 24th, 2024, everyone set aside their schedules to be a part of this beautiful journey. They came together to make it a memorable day for the children, filled with laughter, learning, and love. GIBS Business School's "Harmony Heaven" CSR initiative has made a significant impact, receiving coverage from over 80 media houses like ANI News, The Print, and many more. This initiative highlighted a joyful day of engagement with local orphanages, underscoring the school's commitment to community and social responsibility.

WEDNESDAY, JANUARY 24TH 2024

www.gibs.edu.in

On the canvas of our nation's pride, there marched a silhouette, strong and dignified. Amid the morning mist, the Red Fort stood witness to the rhythm of unity; it was the 26th of January, a day when the heart of India beat in unison. GIBS Business School saluted the spirit of freedom and democracy on this auspicious Republic Day.

Reflecting on a vibrant day full of unity and joy we proudly celebrated Republic Day with an array of cultural festivities. The campus came alive with the rhythm of traditional dances, the melody of heartfelt singing, and an array of other captivating performances. These moments not only showcased the talents of the students but also deepened the sense of national pride and unity.

The realm of responsible innovation and entrepreneurship came alive at the GIBS IRE School's Global IRE Summit. Held on February 12 & 13, 2024, this summit brought together leading minds like Dr. Ernst von Kimakowitz, Dr. Wolfgang Amman, and more. Attendees learned to pioneer sustainable business solutions and ethical practices that lead to long-term success. The discourse on how to innovate with accountability in Bangalore from February 12-13, 2024, was both enlightening and inspiring.

The corridors of innovation and entrepreneurship at GIBS IRE School whispered tales of a groundbreaking rendezvous. The Global IRE Summit, became a beacon of wisdom where luminaries like Dr. Ernst von Kimakowitz and Dr. Wolfgang Amman, alongside other visionaries, converged. This gathering was not just an event; it was a movement towards crafting the future with sustainable business models and ethical practices, ensuring prosperity for all. Bangalore, the vibrant host,

bore witness to this confluence of minds, debating, deliberating, and designing the blueprint for responsible innovation. The air was charged with ideas that promised to shape tomorrow, making the GIBS IRE Summit a landmark moment in the journey towards ethical innovation and sustainable entrepreneurship.

During the summit, an inspiring session led by Dr. Ernst Von Kimakowitz, Co-founder of the Humanistic Management Network University of Lucerne, Switzerland, under the banner of Responsible Innovation and Entrepreneurship, took place. This transformative workshop imparted wisdom and sparked innovative minds. Participants gained invaluable insights and were honored with certificates, marking their commitment to shaping

As the Campus Biz event at the Global Institute of Business Studies (GIBS) approached on February 15, 2024, the excitement among students and faculty was palpable. It was the culmination of the Business Mastery Program (BMP), tailored exclusively for PGDM students, which had successfully concluded, allowing students to venture into the entrepreneurial world. Guided, mentored, and financially supported by the institution, students transformed their business theories into viable ventures, showcasing the practical application of academic learning and empowering them with the tools and knowledge needed for success.

The Campus Biz event was a day marked to take the first step towards a future in business, promising an immersive experience in the world of business, expert insights, and self-discovery. Attendees were encouraged to explore, and lay the foundation for a thriving career in the business world. The event provided a platform for students to interact with experts, gain valuable insights, and discover their potential.

The entire community was invited to witness the dedication and achievements of the students at Campus Biz. Over 30 ventures, showcasing a multitude of products were on display, reflecting the diversity and innovation of the future leaders. The presence of the community not only made the event memorable but also served as a source of encouragement for the students, as they embark on their journey towards shaping the business leaders of tomorrow.

GIBS Business School hosted the much-anticipated FINANCE CONCLAVE 1.0 on Friday, February 16, 2024, where attendees delved into the world of cutting-edge financial strategies and expanded their networks with industry experts.

The event was graced by an exceptional lineup of speakers, including Mr. Apratim Banerjee, CFO at Wipro Canada; Mr. Soundar Raj, CFO & Board Member at NXP Semiconductors India Pvt. Ltd.; Mr. Senthilkumar Rajendran, a stalwart in investment and startups; and Mr. Santosh Ramesh, Vice President at HSBC. Each speaker shared invaluable insights and perspectives, offering attendees a rare opportunity to learn from the best in the finance sector.

The FINANCE CONCLAVE 1.0 was a resounding success, providing our students with priceless insights and guidance to expand their professional horizons. GIBS Business School extends heartfelt thanks to everyone who joined the event, making it a landmark in the finance community's calendar.

As the vibrant hues of spring filled life with joy and prosperity, GIBS Business School extended warm wishes to all on the auspicious occasion of Vasant Panchami, celebrated on February 14th. This day, dedicated to the worship of Goddess Saraswati, symbolizes the onset of spring and is believed to enhance knowledge and wisdom.

GIBS Business School embraced the spirit of Vasant Panchami, recognizing the importance of education, knowledge, and wisdom in one's life. The festival signifies the arrival of spring, a season of new beginnings and growth, and is celebrated with great enthusiasm across the country.

GIBS Business School, Bangalore, embraced the vibrant hues of Holi, wishing everyone a celebration filled with the colors of innovation, joy, and prosperity on March 25th. The auspicious festival painted the journey of students, staff, alumni, and associates with success, good health, and continual growth. The occasion was an opportunity to splash into the season with new ideas and dreams, creating a canvas of achievements.

The vibrant Holi celebration at GIBS brought together PGDM students for an unforgettable day filled with joy, laughter, and a lot of colors. As these beautiful moments from the celebration are shared, the spirit of togetherness and joy that Holi embodies is vividly remembered.

CERTIFICATE IN PERSONAL MASTERY PROGRAMM (CPMP)

GIBS CPMP, is where we guide participants to master their personal and professional selves. Our program, spanning from PGDM I to V trimester, has witnessed remarkable growth, thanks to our innovative, student-focused modules.

We recently conducted a Mock Interview session for our PGDM students, skillfully facilitated by our expert CPMP trainers. This session was instrumental in enhancing their interview abilities and preparing them for future success.

Additionally, our exclusive finishing school training for PGDM candidates on Saturdays is tailored to refine interview skills, stimulate group discussions, provide image consulting, and boost confidence.

On January 25th, GIBS Finishing School hosted a session featuring Ms. Anjana Nahar, a University Recruitment Specialist from the renowned Chartered Financial Analyst (CFA) Institute. The event provided an insightful glimpse into a potential career path as a CFA for our management students in Bangalore. The session was well-received, with enthusiastic participation from our students.

During the session, there were lively exchanges of ideas, with students asking thoughtful questions that sparked engaging discussions. Ms. Nahar's expertise and experience added significant value, offering practical insights into the finance and investment world.

One of the highlights was witnessing the enthusiasm and potential of our students. Their eagerness to learn and their insightful inquiries demonstrated their passion for the subject and their ambition to excel in their future careers. Overall, the session was a great success, leaving both students and faculty inspired and motivated to pursue excellence in their academic and professional endeavors.

PLACEMENTS

GIBS Business School is thrilled to share the exceptional placements secured by our PGDM students, a testament to their talent and dedication in the professional world. These placements stand as proud moments for our institution, showcasing the caliber of our students and the effectiveness of our placement efforts.

We are delighted to announce the remarkable achievements of our esteemed PGDM students, who have earned placements at prestigious organizations such as Sresta Natural Bioproducts, Morphle, UltraTech Cement Company, HT Media Group, Anakin, Cafe Coffee Day, Ceasefire Industries, Stanza Living, Ivy Homes, HDB Financials, and Shadowfax. These students have been lauded for their impressive subject knowledge and innovative skills, which have contributed to their success. Their hard work, dedication, and exceptional skills have not gone unnoticed, and we are incredibly proud of their accomplishments.

INDUSTRIAL VISIT

We are delighted to share a glimpse of the enriching industrial visit undertaken by our 2nd-year PGDM students to Titan Company on March 16th. This visit provided our students with a rare and invaluable opportunity to delve into the inner workings of one of the industry's giants, gaining firsthand insights into the world of watchmaking and corporate operations.

The visit to Titan Company was a hands-on experience that allowed our students to witness the meticulous process of watchmaking, from the initial design phase to the final product. They also had the opportunity to interact with professionals at Titan, gaining insights into the company's corporate culture and operational strategies.

This firsthand exposure to a leading player in the industry not only enhanced their understanding of the subject but also provided them with practical knowledge that will be instrumental in their academic and professional journeys.

Overall, the industrial visit to Titan Company was a resounding success, providing our students with a deeper understanding of the industry and valuable insights that will help shape their future careers.

CPMP - IRE

GIBS Finishing School hosted an insightful session on the future of advertising with 'Digital Out of Home (DOOH)' by industry expert Mr. Kiran Mandrawadkar on 6th January 2024. The session provided valuable insights into the evolving landscape of advertising, highlighting the importance of staying updated with the latest trends and technologies in the digital marketing industry.

Mr. Mandrawadkar's expertise and experience in the field offered students a unique opportunity to learn from the best and gain valuable knowledge that can help them stay ahead in the digital marketing game. The session was well-received by our PGDM students, who found it both informative and inspiring.

GIBS Finishing School hosted an enlightening session on "Making Biases a Professional Advantage" with the inspiring Ms. Jahnavi Gurjer on 13th January 2024. Participants had the opportunity to discover how to transform common biases into a powerful tool for their professional growth. The session was a transformative experience, offering valuable insights and practical strategies that attendees could apply professionally.

The session with Ms. Jahnavi was a testament to GIBS's commitment to providing students with practical, real-world knowledge that prepares them for career success. The sessions not only enriched the learning experience but also inspired students to think differently and approach challenges with a new perspective.

GIBS Finishing School recently had the privilege of hosting a captivating session as part of its CPMP-IRE, featuring Mr. Pratik Gadia, the dynamic Founder & CEO of The Yarn Bazaar and Shark Tank Fame. The event, held on the 20th of January, 2024, was designed to ignite the entrepreneurial spirit within the student community and provide them with valuable insights into the world of innovation and business.

Mr. Gadia, known for his innovative approach to business and entrepreneurial success, shared his journey and experiences with an eager audience. His session was filled with groundbreaking ideas and entrepreneurial wisdom, offering a unique perspective on how to navigate the challenges of starting and growing a business.

During the session, Mr. Gadia emphasized the importance of creativity, resilience, and adaptability in the ever-evolving business landscape. His stories of overcoming obstacles and turning setbacks into opportunities resonated with the audience, leaving a lasting impact on all those present.

GIBS Finishing School was thrilled to welcome Mr. Abhishek Bharadwaj, Co-founder & CEO of Inficap, for an enlightening session on the intricacies of the Stock Market. The event took place on January 27th, offering management students a deep dive into the world of stocks and trading.

Mr. Bharadwaj's session was informative and engaging, decoding the dynamics of trading and sharing valuable investment strategies. Students had the opportunity to gain insights from a seasoned market maestro, taking their financial acumen to the next level.

During the session, participants learned how to navigate the ebbs and flows of the stock market, gaining a better understanding of the various factors that influence stock prices and trading decisions. Mr. Bharadwaj shared real-world examples and case studies, helping students apply theoretical concepts to practical scenarios.

GIBS Business School recently organized an engaging session on "Innovations in the Food Industry" as part of its IRE Talks series. The session, which took place on March 7th, featured Mr. Rajeev Khera, popularly known as the "Flour Man" and Founder of Chakki Peesing, a company that gained fame on Shark Tank.

Mr. Khera's insightful talk shed light on the evolving preferences and expectations of consumers in the food industry. He emphasized the importance of quality, quantity, and cost-effectiveness in today's market, highlighting the need for innovation to meet these changing demands.

Mr. Khera highlighted the importance of understanding the market and consumer preferences. He stressed the need for entrepreneurs to conduct thorough research and stay abreast of market trends to develop innovative products that resonate with consumers.

GIBS Business School recently had the privilege of hosting Mr. Arpit Gupta, a serial entrepreneur with a wealth of experience from the renowned Shark Tank. Mr. Gupta shared his insights and expertise on navigating the complex world of funding, offering a roadmap to the treasure trove of funding opportunities.

The session, titled "Navigating the Early Stages of the Funding Landscape," was held on March 14th, 2024, as part of the IRE Talks series. Attendees were taken on a journey that demystified the art of attracting investors and provided valuable insights on charting a successful course through the funding currents. Whether participants were startup enthusiasts or seasoned business professionals, there was a wealth of knowledge to be gained.

Mr. Gupta's presentation was not just informative but also inspiring, showing entrepreneurs that with the right guidance and strategy, they can navigate the challenges of funding and steer their startups toward success.

ENTREPRENEURSHIP & CAREER ALIGNMENT

MS. GEETIKA ANAND GUPTA
Cofounder & Chief Pilot MOPP Foods Private Limited
Shark Tank Fame

18th Mar, 2024 11:00 AM Onwards

www.gibs.edu.in

We were thrilled to share the enlightening insights from our recent session with Ms. Geetika Anand Gupta, Co-founder & Chief Pilot of MOPP Foods Pvt. Ltd, on March 18th, 2024. As a seasoned entrepreneur and a Shark Tank alumna, Ms. Gupta's expertise provided valuable guidance on the critical choice between pursuing entrepreneurship or traditional career paths. Her insights were particularly pertinent for our budding leaders at GIBS Business School, highlighting the importance of aligning career ambitions with an entrepreneurial spirit.

During the session, Ms. Gupta took our students on a deep dive into the world of startups, venture capital, and innovation. Her experiences and anecdotes from Shark Tank offered a unique perspective on the challenges and rewards of entrepreneurship. By sharing her journey, Ms. Gupta not only inspired our students but also left them more informed about the opportunities and pitfalls they may encounter in the dynamic business world.

We were excited to share the insightful highlights from our recent episode of GIBS IRE Talks, featuring Mr. Deepen Barai, an entrepreneur and inventor, on March 26th. The session titled "Behind the Wheel: The Hidden Truth of EV Innovation" delved into the fascinating world of electric vehicle (EV) innovation.

Mr. Barai's expertise and passion for EVs shone through as he discussed the challenges and advancements in the field of electric vehicles. He shared his journey of innovation, highlighting the importance of sustainable transportation solutions for the future.

The session was an eye-opener for our students, providing them with a deeper understanding of the complexities involved in EV innovation. Mr. Barai's insights into the environmental benefits and technological advancements in the EV sector left the audience inspired and eager to explore opportunities in this rapidly evolving industry.

GIBS PODCAST SERIES

In the latest episode of the GIBS IRE Talks Podcast series, listeners were treated to a fascinating discussion with Mr. Pritam Thakur, a former electrical engineer turned successful businessman and co-founder of Ivy Homes. The episode, titled "Passion over Profession," offered a glimpse into Mr. Thakur's inspiring journey of transformation and success.

Mr. Thakur began by sharing his early experiences as an electrical engineer, highlighting his passion for innovation and problem-solving. However, despite his success in the field, he felt a longing for something more—a deeper sense of purpose and fulfillment in his work.

It was this desire for a meaningful career that led Mr. Thakur to pursue entrepreneurship. Along with his co-founder, he embarked on a journey to create Ivy Homes. He also highlighted the role of perseverance and resilience in overcoming challenges and achieving success.

In the recent episode of the GIBS Podcast series, listeners were treated to an exclusive interview with Palak Bansal, the standout student of the PGDM program and the recipient of the prestigious 'Student of the Year 2023' award. The episode offered a deep dive into Palak's journey, from her early days at GIBS to her current status as a shining star in the academic realm.

Palak's success story is nothing short of inspirational. Through hard work, dedication, and innovative thinking, she has not only excelled in her academic pursuits but has also made a significant impact on the GIBS community. Her journey serves as a testament to the values that GIBS strives to instill in its students.

GIBS community. Her journey serves as a testament to the values that GIBS strives to instill in its students.

In a recent installment of the GIBS IRE Talks Podcast, listeners were privileged to delve into a thought-provoking discussion with Pratik Gadia, the Founder & CEO of Yarn Baazaar and a contender on Shark Tank India. This episode provided a thorough exploration of Pratik's path as an entrepreneur, his insights from participating in Shark Tank India, and practical advice for those aspiring to start their ventures.

Pratik's journey is a testament to the power of perseverance and innovation in the world of entrepreneurship. From humble beginnings to the bright lights of Shark Tank India,

The GIBS IRE Podcast powered by GIBS Business School, we had the pleasure of showcasing insights directly from our PGDM students. Listeners were invited to join as Mr. Ramakrishnan and Ms. Jyoti Guruchanan shared their firsthand experiences with the GIBS Innovation, Research & Entrepreneurship (IRE) Program. They delved into how this initiative enriched their learning journey, offering a unique perspective on its benefits for PGDM students. The episode provided valuable insights straight from the students themselves, giving listeners a genuine look into the GIBS IRE Program.

In a recent episode of the GIBS IRE Podcast, listeners were treated to an inspiring conversation with Mr. Surender Singh Rajpurohit, the innovative mind behind TURMS, India's first technology-driven and award-winning "Intelligent Apparels" & "Performance" fashion brand, and a celebrated figure from Shark Tank. This episode offered a deep dive into Mr. Rajpurohit's journey as an entrepreneur, his experiences on Shark Tank, and valuable insights for aspiring innovators and business owners.

During the podcast, Mr. Rajpurohit shared valuable lessons learned from his experience on Shark Tank,

emphasizing the need for thorough preparation, a compelling pitch, and the ability to handle rejection. He also offered practical advice for aspiring entrepreneurs, highlighting the importance of passion and a willingness to learn from failures.

The GIBS IRE Podcast Series presented an enlightening episode featuring Mr. Vinay Kothari, the visionary behind Go Desi, a packaged food brand with the mission of Making DESi POPular, and a celebrated figure from Shark Tank.

In this episode, listeners were invited to delve into an exhilarating session with Mr. Kothari as he shared his journey as an entrepreneur, his experiences on Shark Tank, and the insights he gained along the way. Mr. Kothari's journey served as a testament to the power of passion and determination in achieving success in the world of business.

The IRE Podcast series, featuring Mr. Himanshu Agarwal, the strategic mind behind Internet Coaching Empire and the co-founder of MailJar. In this engaging episode, Mr. Agarwal shared his journey, insights, and experiences, providing a wealth of knowledge for aspiring entrepreneurs and business enthusiasts.

Mr. Agarwal's story was one of determination, creativity, and strategic thinking. From establishing the Internet Coaching Empire to co-founding MailJar, he navigated the complexities of the business world with ingenuity and vision. His journey served as a reminder that with passion, dedication, and a strategic approach, anyone can turn their entrepreneurial dreams into reality.

The GIBS IRE Podcast recently showcased an engaging session with Mr. Darshit Patel, the driving force behind Decode Age, India's leading Longevity Research initiative. Decode Age focuses on a variety of biotech-based products, healthcare testing services, and Longevity Biomarker Research to expedite the development of therapeutics and interventions in Longevity and Healthy Ageing Sciences. Mr. Patel is also a star of Shark Tank.

During the podcast, Mr. Patel shared insights into his work at Decode Age, emphasizing the significance of biotech innovation in addressing the challenges posed by an aging population.

He also discussed the role of biomarker research in identifying key indicators of healthy aging and in developing targeted interventions.

The IRE Podcast series at GIBS Business School recently featured an enlightening session with Ms. Akshita Sachdeva and Mr. Bonny Dave, the dynamic co-founders of Trestle Labs, renowned for their appearance on Shark Tank. Trestle Labs is an assistive technology company that empowers individuals facing language, literacy, or print-disability barriers, such as blindness and low vision, to access content in the language of their choice.

During the podcast, Ms. Sachdeva and Mr. Dave shared insights into their innovative approach, highlighting the importance of inclusivity

and accessibility in technology. They discussed the challenges faced by individuals with disabilities and the role of assistive technology in overcoming these barriers. As the episode concluded, listeners were left inspired by Ms. Sachdeva and Mr. Dave's commitment to creating a more inclusive world through technology

GIBS Business School was delighted to host Mr. Ashutosh Sharma, Technical Executive at Numerical Analytics Instruments Pvt Ltd, for a session on the "Joy of Learning" (JOL) on March 28th. The session focused on the introduction to NVivo and SmartPLS, providing attendees with valuable insights and knowledge of these tools.

Whether attendees were beginners or seeking to enhance their skills, this hybrid session offered an ideal opportunity to expand their research and data interpretation toolkits. Mr. Ashutosh Sharma's expertise and guidance were invaluable, helping participants gain a deeper understanding of these tools and their applications in research and data analysis.

The session was not only informative but also engaging, with participants actively participating and learning from one another. It exemplified GIBS's commitment to providing a platform for continuous learning and professional development. We extend our gratitude to Mr. Ashutosh Sharma for sharing his knowledge and expertise, and to all participants for making the JOL session a success.

The GIBS family eagerly awaited a profound and enlightening experience on Saturday, February 17th, as they geared up to ignite a flame of academic passion. This event was not just seen as a regular session; it was anticipated to be a comprehensive celebration of knowledge, a deep recognition of individual potential, and a meaningful journey toward academic and personal excellence, all set within the vibrant and nurturing environment of the GIBS campus.

Under the guidance of our visionary Mr. Ritesh Goyal, the dynamic session on the GIBS Quest - Quality first and always, Urge for outcomes, Energy and enthusiasm, Student centric approach, Timely execution was met with enthusiastic anticipation and joy. It transcended the boundaries of a typical event; it was a festivity of learning, a significant acknowledgment of the collective potential inherent within the GIBS family, and a purposeful voyage toward academic and personal distinction. The session was a testament to the commitment of the GIBS community to foster a culture of continuous learning, growth, and excellence.

@ f y in

GIBS Business School is proud to announce the remarkable achievements of Dr. Jayanta Chakraborti, our esteemed Dean & Principal, in the field of academia and research.

Dr. Chakraborti recently conducted a workshop for Adamas University on "12 Tools of Academic Writing," showcasing his expertise in enhancing writing skills among students and his commitment to academic excellence.

Additionally, Dr. Chakraborti conducted a webinar on "People Analytics in the Era of AI" for the Human Capital Development Professionals Network (HCDPN) in Nepal, highlighting his expertise in this emerging field.

Furthermore, Dr. Chakraborti organized an FDP on "Challenges of Higher Education in Context to Industry 4.0" at GNIOT Delhi, emphasizing the importance of aligning higher education with the rapidly evolving industrial landscape.

His research paper on "Digital Transformation of HR through Application of Artificial Intelligence – An Explorative Study" has been accepted at the 60th MBAA International Conference organized by AIBRP in Chicago, USA, promising to contribute significantly to the discourse on HR practices in the age of AI.

Additionally, Dr. Chakraborti's research paper on "Orchestrating Sustainable Competitive Advantage in Startups Through Artificial Intelligence" has been accepted at the 84th Annual Meeting of the Academy of Management (AOM 2024) in Chicago, USA, reflecting his innovative thinking and ability to address contemporary challenges faced by startups.

Dr. Chakraborti has also started taking training sessions on AI and Prompt Engineering for students at GIBS, enhancing the academic experience and preparing students for the future of work.

Dr. Jayanta Chakraborti's accomplishments exemplify the spirit of excellence and innovation at GIBS Business School. We congratulate him on his achievements and look forward to his continued contributions to academia and research.

Dr. Pallavi Vyas, a distinguished faculty member at GIBS Business School, recently presented a thought-provoking paper titled "AI Integrated Workplace Learning - A Systematic Literature Review" at the prestigious International Conference on Emerging Technologies, Analytics, and Operations organized by IBS, Hyderabad. The conference, held on the 22nd and 23rd of March 2024, brought together leading scholars and professionals to discuss the latest trends and developments in the field of business and technology.

Her research highlighted the transformative impact of AI on learning and development practices in organizations, emphasizing the need for a more comprehensive understanding of this evolving landscape. We are proud to have Dr. Pallavi Vyas as part of our academic community, and we look forward to more groundbreaking contributions from her in the future.

In a recent highlight for GIBS Business School, Prof. Hariprakash Karcherla, was invited as a distinguished speaker at CMS Jain University. The event, focused on "CX and UX in Service Excellence," took place on the 23rd of February.

Prof. Karcherla's invitation as a speaker at CMS Jain University reflects not only his expertise but also the reputation of GIBS Business School in nurturing visionary leaders in the field of business and management.

We are thrilled to announce that Dr. AVR Mahadev, a distinguished faculty member at GIBS Business School, has recently achieved a significant milestone in his academic career. His paper titled "Strategic Management in Higher Education: Navigating Challenges and Opportunities" has been published in the prestigious Journal of Informatics Education and Research, indexed in the ABDC - C category.

The publication of Dr. Mahadev's paper in a renowned journal like the Journal of Informatics Education and Research is a testament to his scholarly expertise and the quality of research being conducted at GIBS Business School. We congratulate Dr. AVR Mahadev on this outstanding achievement!

We are delighted to share the exceptional achievements of Prof. Partha Sen, a distinguished faculty member at GIBS Business School, who recently showcased his expertise and research prowess at the 9th Pan IIM World Management Conference organized by IIM, Sambalpur.

Prof. Sen presented two insightful papers at the conference, the first titled "Impact and Transformation of the ESG Framework in Listed Companies: A Literature Review and Integrated Model," and the second titled "Sustainable Approach under the Lens of ESG Practice in the Iron and Steel Industry - Integrated Literature Review." Both papers delve into the critical aspects of environmental, social, and governance (ESG) practices, offering comprehensive literature reviews and integrated models that shed light on the evolving landscape of sustainable business practices.

In addition to presenting his research, Prof. Sen also served as a Session Chair for the conference, showcasing his leadership and commitment to advancing knowledge in the field of management. We commend Prof. Partha Sen for his achievements and eagerly look forward to his future contributions. His work inspires our academic community at GIBS.

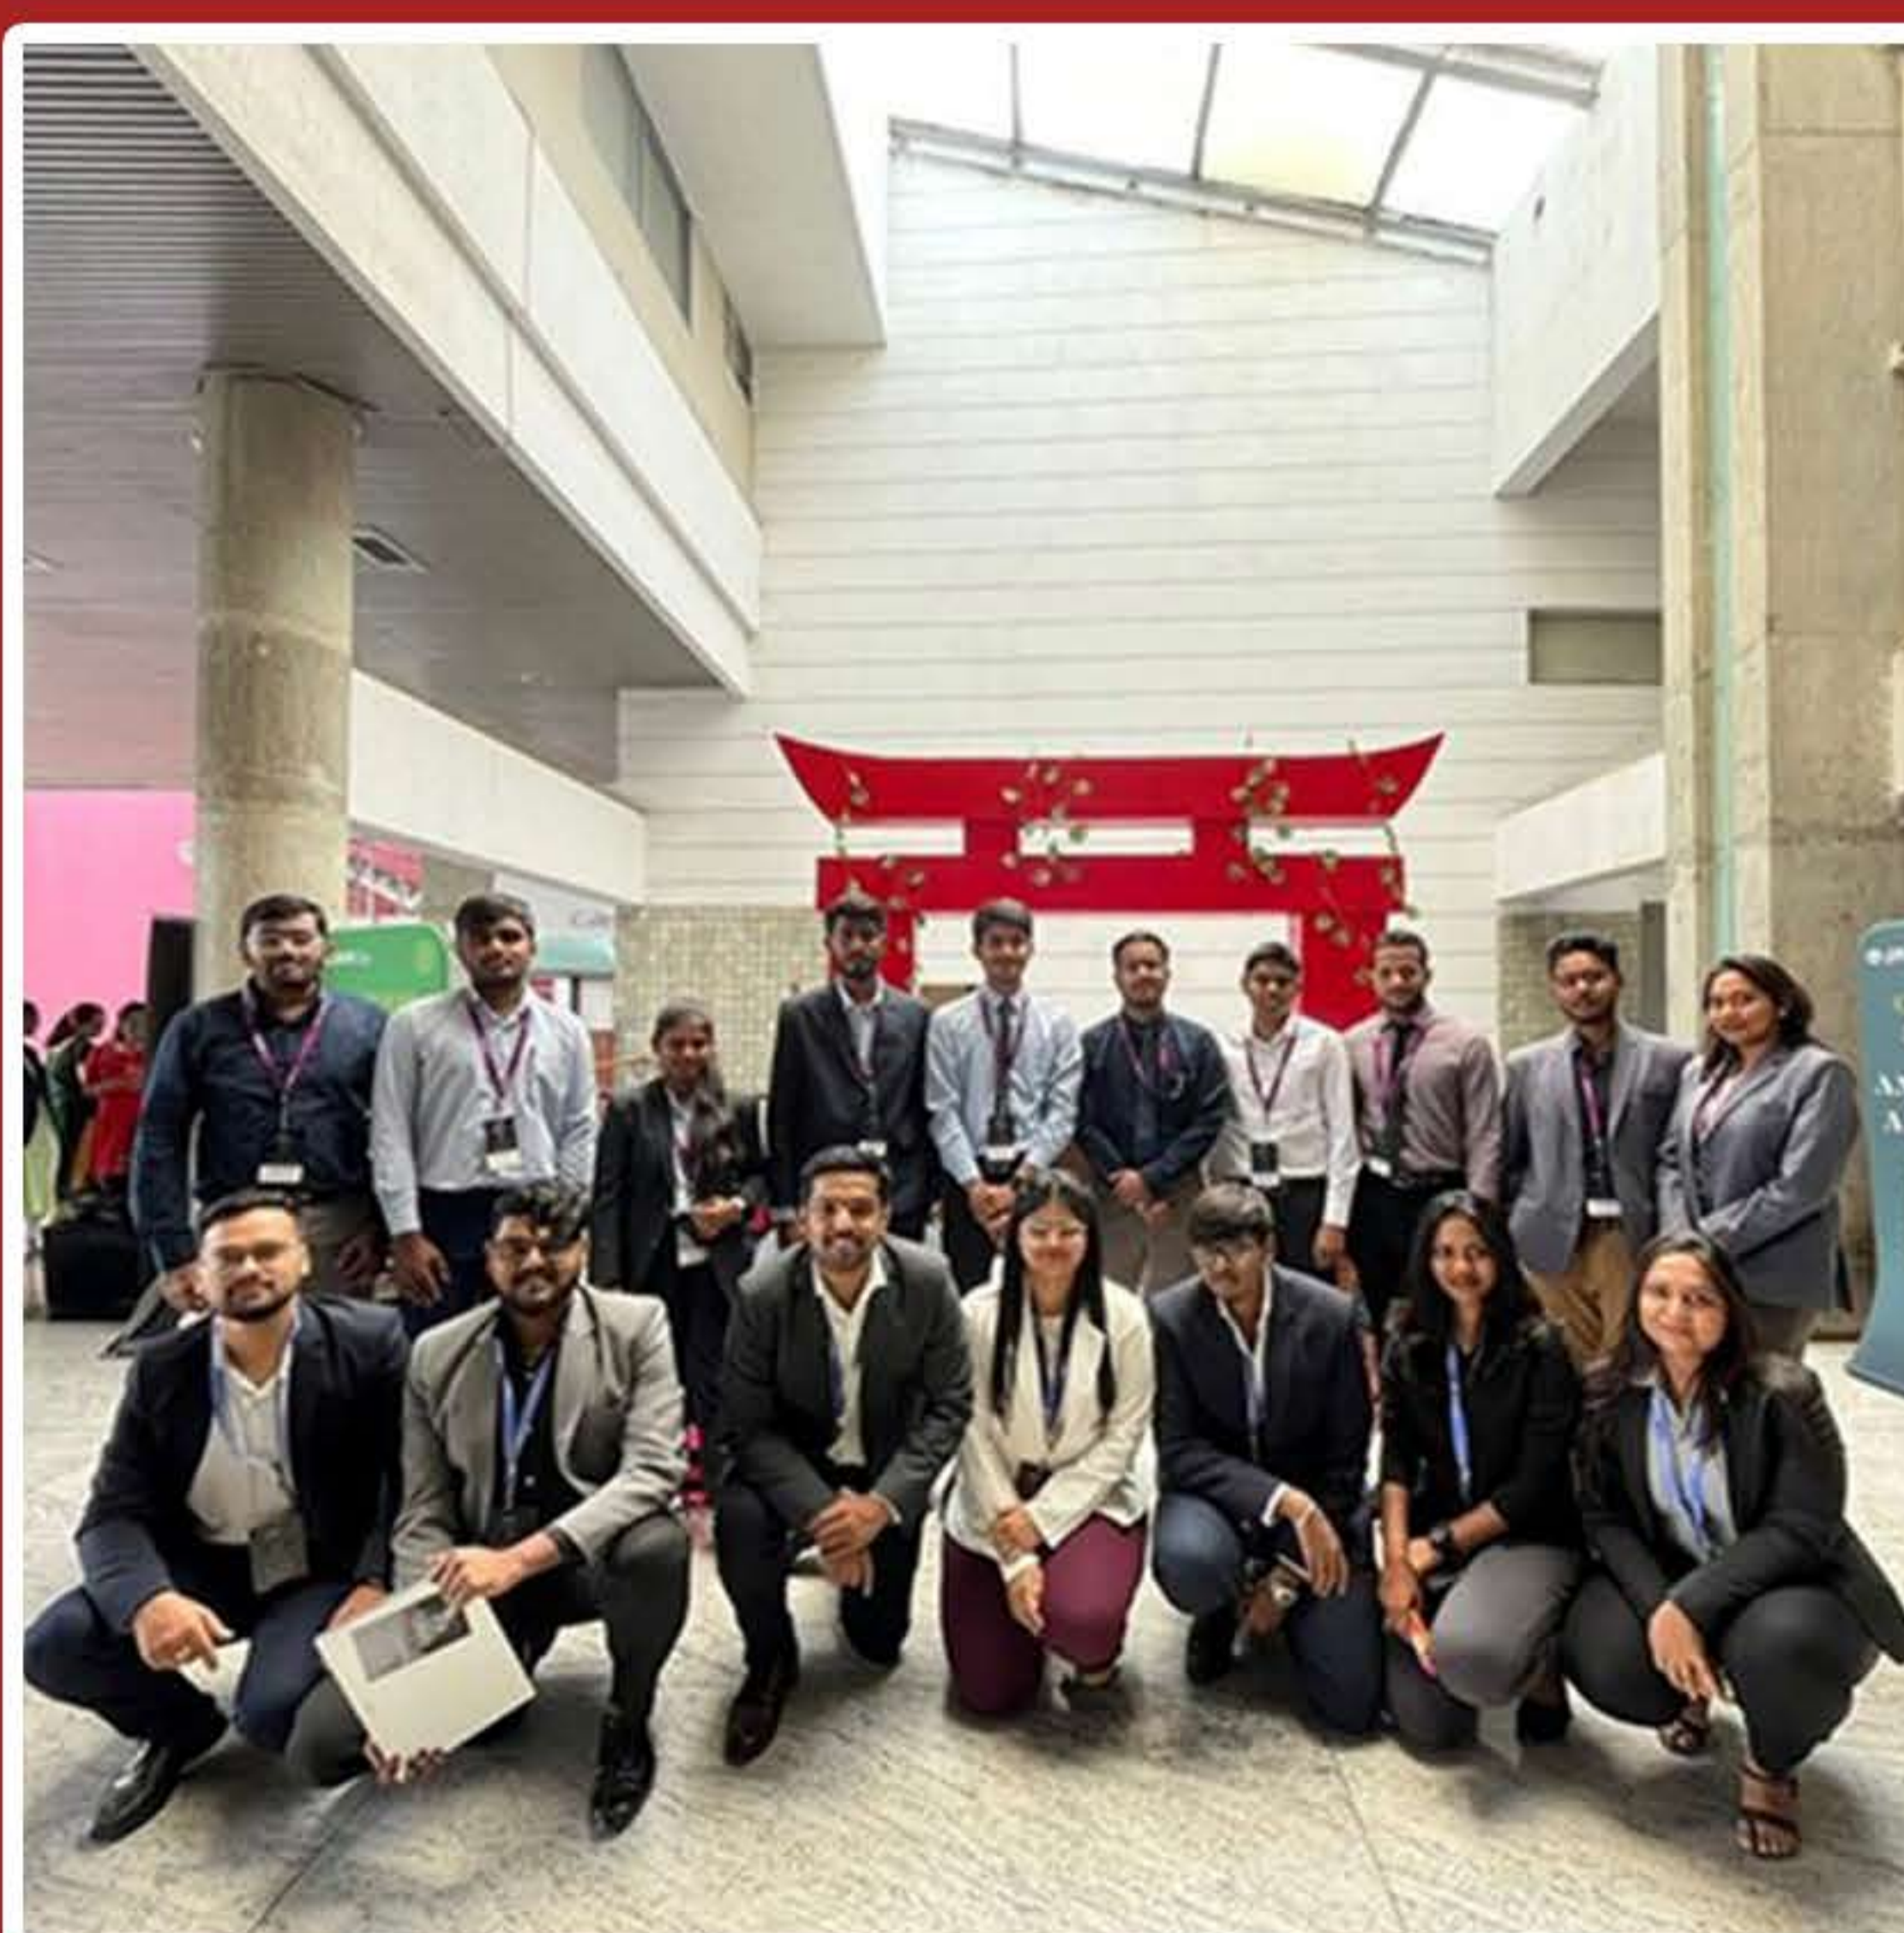

STUDENT ACHIEVEMENTS

We are proud to announce that our PGDM student, Bharath K, has achieved a remarkable feat by securing the title of Best Manager at the XIME Management Fest. The competition held on 16th and 17th February, saw Bharath competing against approximately 15 participants from various top colleges in Bengaluru.

The rigorous competition spanned over two days and comprised six challenging rounds. These rounds tested the participants' skills and abilities in a variety of areas, including on-the-spot case presentations, spot improvised PowerPoint presentations, stress press meets, business quizzes, mad ads video creation, and a hot seat (stress interview).

We congratulate Bharath on this outstanding achievement and wish him continued success in all his future endeavours. His accomplishment brings great pride to GIBS Business School and serves as an inspiration to all our students.

GIBS Business School is delighted to share the outstanding accomplishments of our PGDM students at the national-level Think Tank Business Quiz hosted by Jain (Deemed-to-be-University), Bengaluru. Competing against 30+ formidable teams from across India, our students displayed exceptional prowess and clinched an impressive 4th place.

The competition, known for its challenging questions and intense competition, was a true test of knowledge, skill, and strategic thinking. Our students showcased their expertise in various areas of business and management, highlighting the quality of education and training they receive at GIBS Business School.

We congratulate our PGDM students on this outstanding accomplishment and look forward to more such successes in the future, as they continue to shine bright in the world of business and management.

GIBS Business School is delighted to celebrate the remarkable achievement of our students, Eshwar and Bharath, at the Gladiator debate event. Competing against 14 esteemed colleges from across India, they secured a prestigious 3rd place. The event provided a platform for our students to demonstrate their exceptional skills in argumentation and defense, particularly focusing on topics such as Diversity, Equity, and Inclusion (DEI) and consumerism.

As the day turned to dusk at the Jyoti Nivas College fest, the students from GIBS stood out. Mugundh and Ramakrishnan, who excelled in finance, secured an impressive 2nd place, showcasing their skills and strategic thinking.

Ritesh K R, a talented digital artist, also achieved the 2nd spot with a remarkable piece that was rich in color and detail. They represent pivotal moments in the GIBS narrative of determination and innovation.

In a harmonious display of talent at Kristu Jayanti's Euphonia Fest, our PGDM student, Geoffee, captivated the audience with his exceptional performance in Western Solo Singing. Amongst a choir of 20-25 participants, Geoffee's melodious voice stood out, earning him a well-deserved 2nd place. His graceful rendition of musical notes not only resonated beautifully but also showcased his immense talent and dedication. Congratulations bringing pride to GIBS Business School.

GIBS Business School is delighted to announce that two of our PGDM students, Yaipha and Avneesh, were among the 12 students from Bangalore shortlisted for the RBI Summer Internship 2024 interviews. Each interview, conducted before a three-member panel, lasted 10-15 minutes, providing a platform for our students to showcase their expertise and professionalism.

This achievement is a testament to the excellence of GIBS's academic environment and the dedication of our students. We commend Yaipha and Avneesh for their outstanding performance and congratulate all participants for their hard work and effort. We wish them the best of luck in their future endeavors, confident that they will continue to excel and make us proud.

GIBS HIGHLIGHTS

GIBS Business School is thrilled to share insights from a groundbreaking discussion with Lenovo and Intel on the future of artificial intelligence (AI) in education. The session held recently, marked the beginning of an exciting journey toward integrating AI technologies into learning environments.

The discussion centered around the potential of AI to revolutionize the delivery and absorption of knowledge. Participants explored innovative ways in which AI can be harnessed to create smarter, more intuitive educational experiences. This collaboration represents a significant step towards shaping the future of education for generations to come.

The session highlighted the importance of leveraging advanced technologies to enhance the learning process. It underscored GIBS's commitment to staying at the forefront of educational innovation and providing students with cutting-edge learning experiences.

GIBS extends its gratitude to Lenovo and Intel for their partnership in this initiative. Together, we are paving the way for a more dynamic and engaging educational landscape, where AI catalyzes transformative learning experiences.

GIBS Business School in Bangalore has recently garnered significant attention, being featured in over 100+ media outlets for its innovative launch of new PGDM specializations in FinTech, MarTech, and HR Tech. This strategic move has positioned GIBS at the forefront of business education, aligning its offerings with the latest market trends and technological advancements.

The introduction of these cutting-edge programs underscores GIBS's commitment to providing industry-relevant education, ensuring that students are well-prepared for the dynamic global business landscape. The widespread media coverage serves as a testament to the school's role as a pioneer in crafting specialized curricula designed to meet the evolving demands of the digital era. It reaffirms GIBS's standing among the top business schools, showcasing its dedication to innovation and excellence in education.

GIBS Business School's trio of flagship events - the Global IRE Summit, Campus Biz Day, and Finance Conclave - have recently garnered significant attention, being featured in over 80 media houses. These events have achieved widespread recognition for their innovative approach to responsible innovation, entrepreneurship, and finance. Leading the coverage are top-rated media houses, including Google News, Yahoo News, ANI, and The Print, highlighting the events' success and GIBS's commitment to shaping the future of business education.

This extensive media presence underscores the school's influential role in the business education landscape, showcasing its dedication to creating a positive impact through ethical business practices and leadership. The events not only provided a platform for knowledge sharing and networking but also demonstrated GIBS's ability to drive meaningful conversations and inspire change in the industry.
